

October 2022

Well done to all of the children in Years R – 6 who completed the **Mini London Marathon**.

The children ran an impressive 2.6 miles over the course of the week. Many children have since said how much they enjoyed seeing all of the other classes out running together, and were keen to get involved in future events. We hope they have proudly displayed their well earned certificates.

Look out for information from Mrs Bruckshaw this half term regarding the Surrey Kids 2K. We are aiming to raise much needed funds for our school.

Harvest Festival

Thank you to all our families who had donated good for the Harvest festival and therefore to Woking Food Bank. This is appreciated even more considering the difficulties faced by many recently and in the near future. We have already delivered the donated food items to the Food Bank. As you are aware all classes have learnt Harvest songs and these will be posted on Seesaw this week.

Sports For Champions UK®

Community Interest Company

Through Sports for Champions UK, we have arranged for an elite athlete to visit our pupils in KS1 and KS2 on Tuesday 6th December.

The athlete will hold an inspirational assembly and children will learn about healthy living, healthy eating and key elements associated with success: teamwork, responsibility, communication and creativity. The athlete will also demonstrate their sport and finish with a Q and A.

Children in KS1 and KS2 child have been given a sponsor form for a challenge on the day. The money raised will help to fund the visit and also help unsponsored athletes with travel costs, medical expenses etc.

Please send in your child's sponsor form and money the week before the visit.

Thank you

FRIENDS of BEAUFORT FIREWORKS DISPLAY

WEDNESDAY 2nd NOVEMBER 2022 6PM

Friends of Beaufort fireworks display is well established locally and comes highly recommended by those who have attended in the past. Gates open at 6pm, an hour before the show, to give spectators the chance to enjoy the stalls and BBQ before the explosive main show.

Tickets are available from Eventbrite-

We hope to see you all there!

MORNING DROP OFF

Standing outside in the mornings last half term, I have noticed an increasing number of parents and carers dropping their children off from cars at the end of the layby, therefore blocking it. Please can I ask that parents and carers refrain from doing this, I know it's a busy time and finding a space might mean a two minute walk for you and/or your child, however it keeps traffic flowing and ensures your child isn't exiting the car in moving traffic.

Along the same lines, I have been made aware of a very small number of parents using the staff car parks, at pick up time. This is incredibly dangerous as children and families do use this area as a walkway (particularly at the Nursery end of the school).

I would also like to say thank you to the majority of our families who are always considerate and safe in their driving and parking, this doesn't go unnoticed and we are very grateful for this.

Mrs Ferris

Thank you for your feedback about the current booking system for clubs and the selection of clubs on offer for some year groups. We have listened to this feedback and are exploring ways to improve the current system to make it fairer for all. Our teachers are leading more clubs than ever before and it's great that so many children want to attend these clubs we now need to improve the systems so it meets this increased demand.

Poppies will be available in school for children in exchange for a donation.

Poppies will be taken to the classrooms in the afternoons from Tuesday 1st to Friday 11th November. We also have a selection of zip pulls, reflectors, silicon wristbands and snap bands available from the school office before and after school.

Please inform us if your child's dietary needs change.

Congratulations to **HEDGEHOGS CLASS** who had the highest attendance for October.

They will display the Class Attendance Award in their class this month.

Well done also to those who managed to keep their attendance high in October.
